### DESCRIPTION

A high performance EVER SHINE CAR WAX is formulated to give your car a beautiful carnauba shine finish without using water. It discloses a soft protective coating to car surfaces.

### **CAUTION! EXTREMELY FLAMMABLE. KEEP OUT OF REACH OF CHILDREN.**

Contents are under pressure. Do not use near cigarettes or open flames.

### APPLICATION

Shake vigorously before using. For best results use out of direct sunlight, sprays uniformly on the area to be waxed and rub the product with a microfiber towel until a dry state is achieved and no product residue is visible. It is recommended to wipe off the product immediately after the application.

### PRECAUTIONS

Harmful if inhaled or swallowed. Causes eyes and skin irritation. Do not spray near heat, sparks or open flame. Vapors may cause flash fire. Do not place near source of heat, sparks or open flames. Do not smoke. Do not place near heat, radiator or direct sunlight. Do not puncture, incinerate or store above 120°F(49°C). Use in a well ventilated area. Discard empty can in trash pick-up. Do not place in home garbage compactor.
